AVAILABLE FOR ACQUISITION:

Niche Temporary Staffing Agency

DESCRIPTION:

This agency supplies First Responders (typically EMT) and some Advanced Life Support (ambulance) to corporate events, concerts, shows, public gatherings, festivals and some industrial sites.

No licensing required. Unique model utilizes a steady pool of responsible employees servicing both renewable and longer term contracts.

Trained management is in place, with fully documented procedures.

Strong revenue and profit growth under 3 years of current ownership. Present owner has been recruited back into the corporate world.

ASSETS, PRICE AND TERMS:

Asking \$350,000, which includes \$80,000 in medical equipment, uniforms and office equipment.

Seller's cash flow is over \$100,000 annually

Stock sale preserves contracts for services. Current owner purchased stock. No liabilities have been found from previous owner.

Of Special Interest:

The business offers some terrific lifestyle appeal, since supervisors (which can include the owner) on each engagement have broad behind-the-scenes access.

Further information is available to interested parties after filling out a confidentiality agreement, available on our website. Complete financial history and documentation requires the completion of an MPN Buyer's Profile.
