AVAILABLE FOR ACQUISITION:

Hill Country Water Well Drilling

DESCRIPTION:

A lifestyle business with great financials! Operating as the premier vendor in its market, this drilling company enjoys a 25 year reputation for quality, skilled staff and a constant backlog of work.

Licensed drillers oversee the site work, and an office manager takes care of permits and bookkeeping, leaving the owner to meet with customers and enjoy a reduced work week.

Located in the heart of the Hill Country, within 1 hour of San Antonio, business has multiple opportunities for growth.

ASSETS, PRICE AND TERMS:

\$750,000 for equipment (almost \$500,000 at current prices), a fantastic log recording the geology of thousands of wells in the market (allowing more accurate estimates and siting) and **over \$250,0000 cash flow.**

Of Special Interest:

Current Yard and Building, over 4 acres on a busy highway, are available for sale, lease, or subdivision.

Further information is available to interested parties after filling out a confidentiality agreement, available on our website. Complete financial history and documentation requires the completion of an MPN Buyer's Profile.
