**AVAILABLE FOR ACQUISITION:**

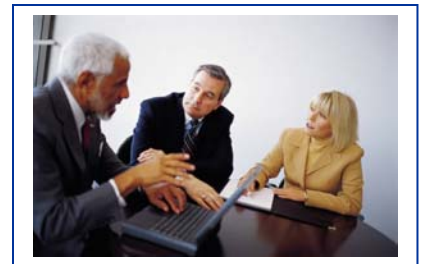

**Successful Executive Coaching Franchise**

**DESCRIPTION:**

**This South Texas franchise offers a unique opportunity for an executive or consultant who seeks recurring revenue, a substantial network of top decision makers and proprietary tools to expand client relationships.**

**The franchisor is one of the most successful in the industry, with excellent training and support.**

**The franchisee is the #1 performer in the system, who has outgrown his personal objectives, and is dividing the territory into more manageable units. The current franchisee will supplement the franchisor in training and support, and provides levels of client service unmatched anywhere else in the system.**

**ASSETS, PRICE AND TERMS:**

There are three components to each territory:

1. Initial franchise and training, which is priced the same as a start-up franchise with no track record
2. Existing dues recurring revenue streams by group, financed by a seller note
3. Ongoing administration and support agreement with the most successful operation in the system

Pricing ranges from \$70K to \$150K per territory

**Of Special Interest:**

***This franchise has been the top performer in North America for over a decade . The present owner is retaining one territory for himself, and will work side-by-side with the new owners, lending his experience and mentoring new development!***
